Dear Mr./Ms.,

I am writing to you today to thank you for your efforts in collecting signatures on petitions regarding alternatives to euthanasia. Over the past weeks, I have received thousands of signatures calling for a national strategy on palliative care; all of this is the result of your hard work. This cascade of petitions is a heartening sign that Canadians around the country are concerned about the legalization of euthanasia and are supportive of the alternatives for euthanasia. When these petitions are presented in the House of Commons, they will have an impact by demonstrating the widespread support for palliative care. This is a way your voice is heard in the House of Commons.

I commend you for your efforts thus far but I also encourage you to continue this petition campaign.

Sincerely,

Mark Warawa, MP
